## Vacation Bible School Building Faith Through St. Joseph

Get your tools ready to work with St. Joseph on building your faith! Our faith will be Under Construction July 12-16, 8:30 a.m. - 11:00 a.m. All preschool through grade 5 students are welcome to join us on Monday morning. We will meet in and release from the school gym.

**Visiting Missionary.** Fr. Joseph J. Arackal V.C., a Vincentian Missionary Priest from India, will be in our parish on the weekend of July 17 & 18 to participate in our Annual Missionary Cooperation Plan. He will preach at all of the Masses at both parishes next weekend and will make an appeal on behalf of the Vincentian Missions.

The Vincentian Congregation (V.C.), a missionary sending Religious Congregation, was founded in Kerala, India, modeled after the Congregation of the Mission founded by St. Vincent de Paul. Members of this flourishing Religious Congregation are engaged in Mission Work in all parts of India and in several countries in Africa.

The Vincentian Missionaries need our help to carry out their many missionary, educational and charitable activities in their missions worldwide. They need our special financial support for the training of young men studying for priesthood. There will be a special mission collection next weekend (July 17 & 18) to help the Missionary work of the Vincentian Fathers. We urge you to be very generous in your mission offering since these Missionaries need our help. Please keep Fr. Joseph and all the Vincentian Missionaries and seminarians in your prayers.

Maybe the work is best left to the professionals. That's how many people view the preaching of the Gospel. That's the stuff priests, religious, deacons, lay ministers, and other professional Church people do. It has little to do with me. Well, that's not really true. The fact of the matter is that preaching the Gospel has everything to do with you, with all of us who are baptized members of the Body of Christ. Nobody gets off the hook from that job. The question is, however, how do we do it? Well, there's a safe way, which many choose, to preach the Gospel — and the risky way. The safe way pretty much keeps the Gospel in church and around like-minded people. I say my prayers, go to Mass, contribute to the food pantry, tithe, and attend Bible Study. That pretty much covers the bases, right? Wrong.

The risky way is the more challenging way and for many, the "road less traveled." Imagine those first disciples going out and into people's homes. They must have had some amazing conversations with folks about God's kingdom, changing their hearts, forgiving sins, and looking at the world differently. They must have met people who were hurting, exiled from their communities, neglected, lost, or living self-insulated lives in a society that served the rich and neglected the poor. While there were many who welcomed what they had to say and the conversations they had, there were others who no doubt rejected them and literally tossed them out on their ears! The Gospel, while being a message of joy and hope, is not always received well by those who are very comfortable keeping things as they are.

The risky way involves example and conversation. We have to take the Gospel from church and carry it with us wherever

we go. What kinds of conversations do we have with others? We interact with those closest to us, in our work, social circles, institutions, corporations, in politics, and beyond. Our conversations with others reveal a great deal about how we see things and what we consider important. If we are really interested in seeing God's vision for the world succeed, then we will talk about it. It will become a part of our everyday conversation and find its way into our interactions with others. How will we preserve the dignity of human life and encourage others to have a relationship with God? We must be the example, live value centered, virtuous lives, stand against injustice, combating racism, and learn ways to resolve conflicts without violence.

If we are going to succeed going forward, we have to find a way to bring our prayer centered lives into the marketplace. Our conversations have to change. Not everyone wants to hear what the Gospel has to say. That's a risk God asks us to take.
