The Most Holy Trinity

Question:

I accept on faith that God is a Trinity of Persons, and I know it's something we can't fully understand. Should I just accept that, or should I try to learn more?

Answer:

There's a legend from the life of St. Augustine. As the early Church grappled with the identity of Christ and his relation to the other Persons in the Trinity, the holy theologian wrote a book about the Trinity. The story goes that, while he worked on the piece, he took a break to walk along the seashore. He came upon a small boy who had dug a hole in the sand. He was carrying a bucket, which he'd fill up with seawater and pour into the hole. Back and forth he walked. St. Augustine gently chided the young boy, "You can't pour the whole ocean into that hole." The boy responded, "And you cannot fit the whole Trinity into your mind."

The Trinity is a mystery! Our finite mind can't comprehend the infinite God. Of course, the lesson isn't about giving up trying to understand God. St. Augustine did write that treatise, after all. The hunger to know more about God is good. We can read books about the Trinity or about the fatherly love of God, the life of Christ, and the movement of the Holy Spirit in our lives. More than that, we can deepen our life of prayer. The heart of our Trinitarian teaching is "God is love." The Three Persons are an infinite relation of love between one another. Real understanding of that comes less through our heads but through our hearts.

The Most Holy Trinity

A well-choreographed dance can be truly inspirational. Each movement and step are interconnected, each contributing a piece of the unfolding artistic story. The beholder is caught up in the rhythms, music, and gestures, realizing that none are dispensable and all are necessary. The same is true of the Divine Dance of the Trinity. Each Person plays a part, using unique gestures and movements that are connected to the other Divine Partners. They tell a story of love. Every movement and step is born of love and flows on into eternity. The Divine Dance never ends.

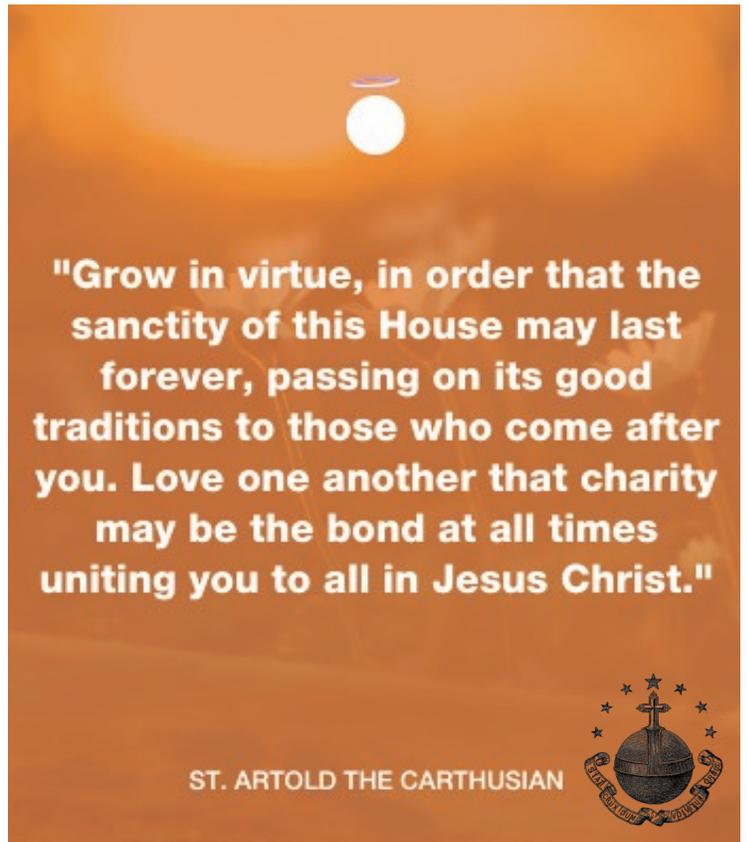

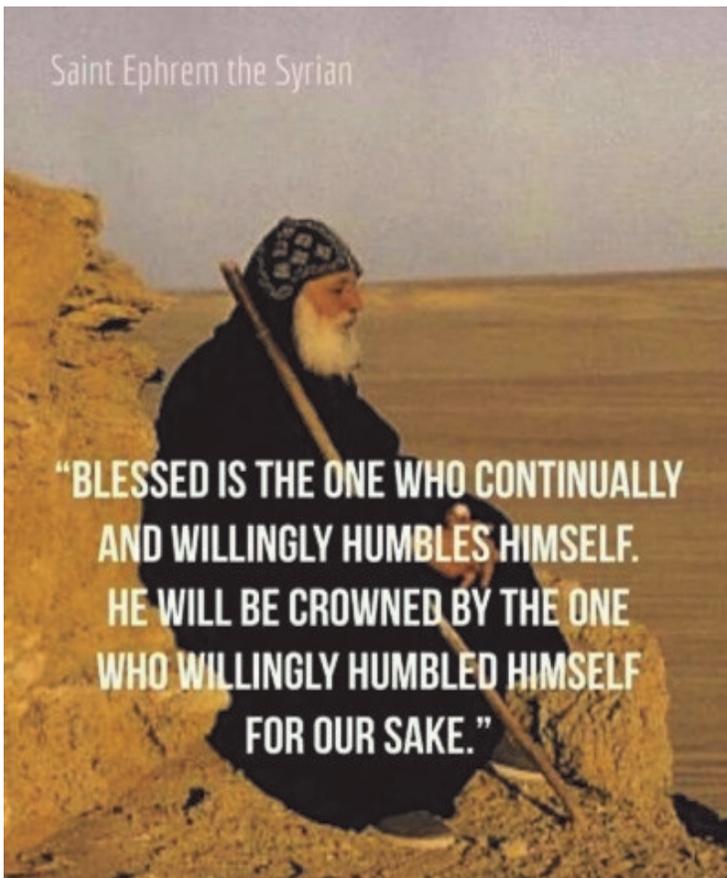

God the Creator powerfully, yet with gentle love, leads. Creating and recreating, birthing and sustaining, He dances with the compassionate incarnate Son, guided by the breath of the Holy Spirit. They are three distinct Persons but move as One. On one hand, the cascading flow of their Presence appears motionless, yet on the other, flows and moves with effortless attention. They share one heart, one goal, and one purpose and invite all of creation to join in their dance, their joy.

The energy of the Trinity flows through all created things. It is a dance of the heart, not of the mind. It has to be experienced, not dissected, and contemplated, not understood. We stand in awe of the Divine Dance and find

ourselves watching in amazement all that God creates and sustains. The dance continues in the majesty of a mountain, the power and wonder of an ocean, and the vastness of the universe. It moves in the cry of a newborn infant and in the soul of one who has been forgiven. It flows in the cry for justice and in the wounds of the oppressed. It circles through the changing of seasons, the cycles of birth and death, and the wisdom that one acquires when they love God.

The Dance never ends. Its movements and rhythms go on forever. The Trinitarian Dance sustains all things, endures all things, and brings hope. You are invited to dance. Don't just watch as if you were simply a spectator. Join in the dance and move as they move.

ST. BERNARD PARISH NEWS

Statues Donations

There are four statues that remain to be adopted. They are Jesus on the Crucifix, St. John the Apostle (right of the crucifix on main Altar), the Sacred Heart of Jesus in the Grotto by Confessional and the Small Infant Jesus of Prague. They are \$1500 to adopt. Please contact Angie at St. Joe if you would like to adopt one. We will have a small plaque made to put in back of church in memory of who donated or those who donated when the renovation is finished. We have been told that the statues will be returned by July.

Masses have resumed and **All Masses will be held in the St. Joseph gym except St. Bernard's 7:00 p.m. on Thursday evenings which will be in the St. Bernard School Hall. The main school entrance (Door #1) will be opened 30 minutes before the scheduled Mass time, except St. Bernard's 8:30 a.m. on Sunday which will open at 7:45 a.m. All other doors will remain locked. This is to allow for the required cleaning/disinfection process between Masses.**

The first couple Masses have gone well! It is not like having Mass in Church, but we are receiving Jesus and that is the main reason for Mass. We will keep you updated as to when we can resume Mass in our own churches.

Thursday Evening Mass

Don't forget about Mass at St. Bernard on Thursday evenings at 7 pm in the school hall. Social distancing is being observed.
