*Thank you to all the businesses who sponsor our bulletin.*

Dear Parishioners,

As the school year comes to an end, our Religious Education Program has finished. Each Wednesday night middle and high school students attended the classes at St. Bernard and St. Joseph.

The students desired to learn more about their faith in the presence of their peers. To accomplish this massive effort, we needed several dedicated Catechists. I thank all of you for your commitment and dedication. God bless our students and catechists.

Another group is St. Joseph Catholic SCHOOL. I am so proud you were awarded the "A" rating from the State of Indiana. The dedication of parents, students and teachers is amazing. We are blessed. As I walked through the halls the last few weeks I am humbled by the children's actions. When I visit the classrooms each week, I hear one child after another giving thanks. Oh "I love the food here," "we have the best teachers," and "I enjoy going to Mass." Just the other day I heard one of the teachers giving thanks for the parents that send their children to St. Joseph Catholic School. These are people who enjoy life, and they are a blessing to be around. God bless our students and teachers. As we end the year we will give thanks to Mr. Gilbert as he prepares for retirement.

We honored our High School Seniors at Mass at both of our linked Parishes. It is always fun to listen of their plans. As a Parish it is a good time to give thanks for all these young people have done with and for our Parish through the years. While we support their new stage and adventures whether that is the workforce, armed service, college, or trade school, make sure each of them both understand and experience that they are always welcome home at St. Bernard and St. Joseph.

Looking on social media, I have noticed pictures from our parishioners who graduated from College. Now they begin the process of looking for and starting a new job. Keep them in your prayers and in this Year of St. Joseph, ask for the Parton of workers to intercede for them.

Today I give thanks to all who support our Religious Education program and St. Joseph. Catholic School. God bless all our graduates, grade school, high school and college.

Sincerely,

*Fr. Gary*

Next Year we will have a new Principal at St. Joseph Catholic School. Dan Gilbert will be retiring and his last official work date is July 31st. We are grateful for Mr. Gilbert's years of leadership and service. Once I heard he was going to retire, I interviewed the entire St. Joseph Staff. I learned from each what they were looking for in our next Principal. The Diocese advertised, verified qualifications of applicants, conducted initial interviews then made recommendations for qualified candidates. Dr. Hagan and the Catholic School Office were so helpful in this process. (It is our CPC dollars at work for us at St. Joseph.) Then we assembled a selection committee with representatives from the School Board, Finance Council, and Parish Council. The recommendation was made, and I offered the position to Lynde Anquillare. Lynde is a graduate of St. Joseph, and knows our School well. Not only attending, but also helping in the Summer Program. Let's keep both Dan and Lynde in our Prayers. Below is a letter from Lynde to the Parish, as she begins this new role. GO WILDCATS!!

*Fr. Gary*

To my Saint Joe Family,

I am honored and thrilled to be selected as the new Principal of St. Joseph Catholic School. As a former student, it truly feels like I am returning home. While I know many faces through my work with Vacation Bible School, the Summer Care, and the Angel Tree, I know this opportunity will allow me to delve even further working with people of my Parish. I know it will be extremely hard to follow in the footsteps of Dan Gilbert. I am bringing a passion and enthusiasm for learning students, and the work of God. Thank you for entrusting me with the future of our Parish.

God Bless,

*Lynde Anquillare*
